Lorin, would it be possible for me to meet with you and Dwight Monday? Also, I had another thought that maybe it might be easier to just do a temporary staging area for steel at our 37 acre site but just across the street from that we have two parcels that are zoned commercial. They are 4716 and 4720 skyway. Would it be easier to do the concrete crushing there with a temporary use permit? Please let me know. I would really like to sit down with you and Dwight and talk about this. Thanks

Just an FYI, our Non Profit North State Relief entered into an agreement with the owners of Pinecrest Mobile home Park on Clark Rd. We will be working with the State for the park cleanup and will get the repairs done so 70 Families can move their trailers onto a site. If they don't have one we will help get them one. This expedites the process by working with a park owner in-lieu of the County.

I just wanted to keep you in the loop. Our goal is to help keep people on the Ridge and this gives them a place to stay while rebuilding their homes and lives. Our agreement is for 3 years, before we turn it back over to the owners.

Best Regards

Keep me in the loop so that I can keep the various groups I'm directly involved with fully informed of your progress, and if and when your group might need public advocacy support!

Have a great weekend!

It isn't money they will give us. There's an app process with the foundation and they will cut checks. We'll just be verifying folks are fire survivors and other eligibility criteria...on behalf of the Town and County residents. Nothing to split [EMOJI]. I can provide more detail in the next couple of days. We'll have you or Jody work with Shelby and Casey on any messaging, though press releases, etc. will be generated by the foundation. From: Marc Mattox

Are we proposing something similar for next week?

1/30/2019 4:25:38 PM

To: Marc Mattox

K. I just talked to tim snellings. We need to work with environmental health.

1/30/2019 4:26:32 PM

From: Marc Mattox

Agreed. We need notifications of alternative program approvals too

Good morning!

I just had a thought for folks on Paradise that are dry camping - are any of the the school sites cleared? If so, that might be an option for temp parking. Also, we updated our Code to allow Temp RV Parks on church properties. You may already have these covered, but didn't want to assume.

We're also creating maps with all vacant properties that people could park on if they have property owner approvals, plus up to 2 campers/RVs can park on any Ag zoned parcels in the unincorporated area.

That's it for my brain dump this morning.

Do you have time to join us this morning to talk about FEMA and the next steps moving forward??

2/1/2019 6:05:58 AM

To: Shari Mc Cracken

No sorry. I was hoping for lime saddle or forebay...no luck there?

2/1/2019 6:16:15 AM

We're trying, but that won't happen by Monday. If you have time for a call today, I can provide you the options available in the County jurisdiction, and our map shows vacant properties in Paradise that can be used if you define what can be used the same way the County does. Do not let Dwight tell you that no one can live in Town.

Do you want me to call you on my drive in? I'm in meetings all day, as you probably are to.

Plz call when you can. Update in CMA - only enough space for less than 20 RVs. We might need to look at Masonic instead. I can explain when you call.

Hi Lauren

It's Shelby Boston with the county. I wanted to let you know that I will be at the town council meeting tonight and will be happy to give an update about the rv locations for residents if it would be helpful.

Thanks

Shelby

From: Reggie Salvador

Hi there- yes we invited the Mayor such that she as well can represent the council given the limited space. Sorry.
